YOUR BIRTHDAY by Stella Wilder
 Born today, you are one of the foremost problem solvers born under your sign, and you outdo most other individuals in that arena simply because of your native tenacity and your refusal to let anyone else take the credit -- or the blame -- for what happens around you that you can in any way control. Indeed, from an early age, you had the idea that you were destined to be "in charge," but of what, exactly? That's the question that you will spend the greater portion of your life trying to answer.

MONDAY, MAY 9
TAURUS (April 20-May 20) -- News received today boosts your confidence, but you'll still have to deal with those who are too used to saying "no" to you to say otherwise.
GEMINI (May 21-June 20) -- A new partner brings new skills to a current endeavor -- but even more importantly, a new elevated energy gives you a much-needed boost.

CANCER (June 21-July 22) -- You are likely to receive help from someone in the shadows today, and you'll want to learn who it is so you can return the favor.
LEO (July 23-Aug. 22) -- The most valuable resources must be the most carefully guarded at this time; you don't want to find yourself running low at the wrong moment!
VIRGO (Aug. 23-Sept. 22) -- It may seem to some that you are merely frittering away your time and, indeed, you have been more focused in the past. What is your end game?
LIBRA (Sept. 23-Oct. 22) -- You may have to navigate a tricky emotional current today that threatens to drive you off course. It may be time to jettison some expectations.
SCORPIO (Oct. 23-Nov. 21) -- The requirements you face today are manageable, but there's something going on that raises certain doubts. Talking with a friend is illuminating.
SAGITTARIUS (Nov. 22-Dec. 21) -- That which appears before you today must be dealt

with directly, and you must do all you can to avoid showing any sign of weakness.
CAPRICORN (Dec. 22-Jan. 19) -- You may be yearning for a "better" time, when, in fact, things are shaping up quite nicely for you. Open your eyes and look around!
AQUARIUS (Jan. 20-Feb. 18) -- You may have difficulty choosing the right path today, as two in particular hold great promise for you. You must not weight yourself down.
PISCES (Feb. 19-March 20) -- You've been learning things from someone else for quite some time, and today you'll have the chance to put those lessons to good use.
ARIES (March 21-April 19) -- You may expect the road before you to be tortuous, but today's journey can prove quite pleasurable. What you seek is quickly found.

MONDAY, MAY 9, 2022
YOUR BIRTHDAY by Stella Wilder
 Born today, you are never one to go along with the crowd just because that's the thing to do, and you are far more likely to cause a ruckus by following your own instincts and beliefs as you chart a course forward that brings you into conflict with others on a regular basis. And why is this? That you are true to yourself is no great surprise, as it is a hallmark of the Taurus native, but that you will invite trouble by actively seeking out conflict is something that sets you apart.

TUESDAY, MAY 10
TAURUS (April 20-May 20) -- Take care that you don't let yourself become defensive today and then take it out on someone else. Always be aware!
GEMINI (May 21-June 20) -- Your ability to second-guess those around you may fail you today, resulting in an error that sets you back a good deal. You can recover, however!

CANCER (June 21-July 22) -- You may be unusually creative at this time, but that creativity is worth little if you're unable to harness it and use it productively.
LEO (July 23-Aug. 22) -- You have a great deal of energy that must be expended at this time, but how, when and where are of chief concern. Don't be inappropriate!
VIRGO (Aug. 23-Sept. 22) -- You are eager to please, but perhaps you're putting all your eggs into the wrong basket. It's time to explore other available options.
LIBRA (Sept. 23-Oct. 22) -- You do not fear mistakes or missteps, but you do fear not recognizing them and learning from them. Today you can learn from much that you do.
SCORPIO (Oct. 23-Nov. 21) -- You understand where someone else is coming from, surely, but you aren't able to support their efforts fully. You must ask yourself why.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may be unwilling to share certain facts about

yourself without first receiving certain assurances. Even then, think twice.
CAPRICORN (Dec. 22-Jan. 19) -- As busy as you may be at the workplace, you don't want to overlook something happening at home that can soon prove important.
AQUARIUS (Jan. 2-Feb. 18) -- You can learn a great deal from someone you look up to as a role model -- but take care that you're not applying those lessons in the wrong way.
PISCES (Feb. 19-March 20) -- You may have to perform a careful balancing act today in order to satisfy the two demands you are currently trying to serve. Don't be hasty!
ARIES (March 21-April 19) -- You're more than willing to give what is needed today, but take care that you're not drawing from a well that is running dry. Take stock.

Baker Rural Fire Protection District Tax Levy

The Baker Rural Fire Protection District Tax Levy Request, is to improve the ability of our district to better serve a growing population. This levy will allow the district to keep pace with the rising costs of equipment, training and infrastructure, in order to continue to provide excellent fire protection to all members of the district.

Baker Rural Fire Protection District would like to reassure the public that ambulance issues currently being discussed by the City and County are not in any way associated with the tax levy that is currently on the May ballot. Additionally, we are not party to any of these discussions.

Thank you for taking the time to read this important announcement as we do our part to ensure that information being shared about this levy is accurate.

Please do not hesitate to call if you have any questions regarding the tax levy. Contact Collin Kaseberg, President at 541-519-7257 or Baker Rural Fire Protection District office at 541-523-3897.
