Couples Therapy

Noted psychologist Dr. Orna Guralnik returns to her office in Brooklyn, N.Y., where she welcomes four new couples to begin work on some of their most intimate issues as Season 3 of this docuseries opens. In the premiere, Will and Ping have discovered that being in an open relationship poses some unexpected challenges, while Molly wonders whether her marriage to Josh can survive their emotional "scar tissue." Meanwhile, Dale and India trade grievances after the arrival of a new baby, and Cyn questions her monogamous life with Yaya. Another episode follows.

9 p.m. on HIST
The UnXplained

The new episode "Mysterious Tombs" examines the centuries-old human ritual of burying the dead, whether it be a simple interment or placing the remains in a cave, a pyramid or some form of tomb. In China, for example, a vast necropolis was constructed as a way for the living to have a sense of contact with their departed past. This episode considers the question of what human beings seek in following these rituals, as well as what secrets may remain hidden in tombs even today.

11 p.m. on HBO
A Black Lady Sketch Show

Among the sketches in the Season 3 finale, Ally hosts a birthday bonfire that her guests are sure to remember, while a group of day campers try to embrace the great outdoors. In another segment, Octavia teaches a workout class that is top secret. Robin Thede, Ashley Nicole Black, Gabrielle Dennis and Skye Townsend star.
