HOROSCOPES by Stella Wilder

TUESDAY, MAY 10, 2022

YOUR BIRTHDAY by Stella Wilder
Born today, you are nothing if not dedicated, and you're likely to choose your life's work at a remarkably early age and follow a path directly to the threshold of fame and fortune -- if, indeed, your timing is right and you are able to work well with others. It is this last point that might be in question, for you don't always get on with others, especially when your natural talents conflict with those of equal but different talents with whom you come in contact.

WEDNESDAY, MAY 11
TAURUS (April 20-May 20) -- You can use extra time very much to your advantage today, especially if you have what you need with you to immerse yourself in a certain task.

GEMINI (May 21-June 20) -- You can guess what someone might do today, or you can look back over the past few days and reach a far more reasonable conclusion. Choose!

CANCER (June 21-July 22) -- You don't have to fill another's mind with falsehoods in order to be persuasive. Speak the truth and the right things will happen.

LEO (July 23-Aug. 22) -- You have more to do today than someone may appreciate, so when you say "no" to extracurricular requests, you're sure to be met with objections.

VIRGO (Aug. 23-Sept. 22) -- It's important that you complete any and all chores before you turn your attention to your own list of desires. Keep priorities in order.

LIBRA (Sept. 23-Oct. 22) -- The way you do what you do can prove quite entertaining to others today -- though you may wish that you had some other options to explore.

SCORPIO (Oct. 23-Nov. 21) -- You may have to use great care today while doing something that was merely routine a day or two ago. What has changed, and how must you react?

SAGITTARIUS (Nov. 22-Dec. 21) -- You'll want to keep knee-jerk responses to a minimum today; focus on your true intentions, and don't let anything lessen your chances.

CAPRICORN (Dec. 22-Jan. 19) -- You may encounter something entirely new and different, but instead of being afraid, you'll find it rather exciting -- and inspiring, too.

AQUARIUS (Jan. 20-Feb. 18) -- You'll be able to show someone what you're really made of today, but the only way to do it is to free yourself of self-imposed restraints.

PISCES (Feb. 19-March 20) -- You may find it far too easy to snap at someone out of habit today; avoid doing so! You can adopt an entirely new approach before you know it.

ARIES (March 21-April 19) -- You're intrigued by reports of something new, but you're not sure if it's really for you. You have time to experiment a bit today.
