HOROSCOPES by Stella Wilder

THURSDAY, MAY 12, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you have been endowed with
tremendous vision, dedication and staying
power that you are destined to apply to all you
do -- especially those things that are in some
way designed to help others, for that is your
true calling. You are the kind of person to keep
others squarely in mind at all times. If some-
thing happens to you, you are quick to think
about what must then be happening to those
around you, and if you do something in
response, you want it to benefit not only your-
self but those who are in the same boat.

FRIDAY, MAY 13
TAURUS (April 20-May 20) -- The fear
that you've been trying to overcome may well
be behind you for good -- and it will not, at
least, affect you now or in the days to come.
GEMINI (May 21-June 20) -- You may find
yourself in direct conflict with someone who,
not long ago, was on your side. What has hap-
pened to cause this turn of events?
CANCER (June 21-July 22) -- You mustn't
let anyone take your turn or speak for you
right now. Only you know what's really in your
heart and what you must do or say.
LEO (July 23-Aug. 22) -- You're eager to be
in the center of all that's going on today, but
that may be too much to ask -- and might
actually prove somewhat dangerous.
VIRGO (Aug. 23-Sept. 22) -- Focus on the
things that happen behind the scenes today
and you'll be much more capable of determin-
ing what's likely to happen tomorrow.
LIBRA (Sept. 23-Oct. 22) -- You want
answers, but first you're going to have to ask
exactly the right questions. Take care that
you're not merely repeating yourself.
SCORPIO (Oct. 23-Nov. 21) -- You may
have been judging someone a bit harshly as of
late, but today you'll likely have every reason
to offer praise instead of criticism.
SAGITTARIUS (Nov. 22-Dec. 21) -- You

mustn't push yourself past the limits of your
patience or stamina today. A moderate, con-
trolled approach will certainly be best.
CAPRICORN (Dec. 22-Jan. 19) -- After
doing something you've had planned for quite
a while, you may get a reaction that takes you
by surprise. What went wrong?
AQUARIUS (Jan. 20-Feb. 18) -- You may
be taken aback today by someone's aggressive
stance. This is not a fight you should become
engaged in -- so steer clear!
PISCES (Feb. 19-March 20) -- You're eager
to win praise from someone who has been
critical of you in the past -- but take care that
you're not merely pandering in some way.
ARIES (March 21-April 19) -- Your mood
may not cooperate with you as first today,
when enthusiasm and eagerness are called for,
but you can turn it all around.
