tonight s best

Kevin Hart

8 p.m. on ABC Shark Tank

Actor and investor Kevin Hart brings his unique perspective and desire to inspire hopeful entrepreneurs as he guest stars in tonight's season finale. Among the guests making pitches, a Florida entrepreneur touts his line of health products using nature's most powerful superfood. Former college students from Chicago seek investors for an online marketplace designed to help current and former college athletes cash in on their fame, and a professional boxer from Houston demonstrates an all-in-one total body fitness tool. Tonight's Sharks include Mark Cuban, Barbara Corcoran, Kevin O'Leary and Lori Greiner.

10 p.m. on FX The New York Times Presents

This docuseries opens its second season with a stand-alone documentary on the eccentric multimillionaire who recently made headlines by purchasing Twitter. This film, "Elon Musk's Crash Course," looks at a different topic, though: Musk's series of outlandish claims about the Autopilot capabilities in his Tesla technology for self-driving cars. The Times investigation reveals that Autopilot has been a factor in multiple deaths and dozens of other accidents Musk and his company have not publicly acknowledged.

10 p.m. on OWN The Great Soul Food Cook-Off

The new episode "Back to the Bayou" finds the six remaining chefs paying tribute to Creole and Cajun cooking as they are challenged to identify different varieties of spicy chili peppers and cook with them. Next, things get personal in the competition when the chefs get to pick the proteins their competitors must use when making creative seafood dishes. Charleston, S.C., chef BJ Dennis, an expert in Lowcountry cooking, is a guest judge.
