**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are something of a traditionalist, but that doesn't mean you'll always cling to the ways of the past. On the contrary, you are destined to evolve in dramatic fashion, combining the best of what has gone before with those aspects of what lies ahead that seem to suit your mind and spirit the best. In other words, though you can be somewhat old-fashioned in your thinking and behavior, you are also never afraid to charge ahead into the future -- and enjoy the best of both "then" and "now."

**FRIDAY, MAY 20**  
**TAURUS (April 20-May 20)** -- You may fear that your best effort isn't going to be enough today, but you're selling yourself short. You have what it takes and can prove it!  
**GEMINI (May 21-June 20)** -- Circumstances may not support your primary intentions today, but you can still make progress if you're willing to make some adjustments.

**CANCER (June 21-July 22)** -- Progress today will be made in increments, and you must be willing to take what you get -- especially toward midday when things take a strange turn.  
**LEO (July 23-Aug. 22)** -- Others may be watching you for signs of weakness or indecision today -- but you're not about to give them what they want. Stay the course!  
**VIRGO (Aug. 23-Sept. 22)** -- It's important that you stay in touch with those who have taught you certain key lessons recently. There's more for you to learn, surely.  
**LIBRA (Sept. 23-Oct. 22)** -- You'll want to be sure that the road ahead can accommodate what you have in mind. Are you trying to exceed the limitations of those around you?  
**SCORPIO (Oct. 23-Nov. 21)** -- You must be able to take stock of your mental and physical condition throughout this busy day. Are you trying to do too much at any one time?

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You may think that you're on a downhill slope but, in fact, you'll very soon face an uphill battle. Be sure you are fully stocked.  
**CAPRICORN (Dec. 22-Jan. 19)** -- How you feel is closely related to what someone near you is doing today -- even though you may not know them at all. Ask some questions!  
**AQUARIUS (Jan. 20-Feb. 18)** -- Your generosity will be much appreciated by those who benefit from it today -- and others will be eager to be included in that circle soon.  
**PISCES (Feb. 19-March 20)** -- You have more going for you right now than you might fully comprehend and, as a result, you're able to put more on the line than expected.  
**ARIES (March 21-April 19)** -- You may be more interested in another's goals today than you are in your own, and you can certainly offer assistance that yields much progress.
