Grey's Anatomy

The two-hour finale to Season 18 opens as Grey Sloan Memorial is hit with a blood shortage, so the staff sets up a voluntary donation center. Meanwhile, Nick (Scott Speedman) asks Meredith (Ellen Pompeo) to assist him with a patient, and Winston (Anthony Hill) wrestles with the relationship he has with his brother. Owen's (Kevin McKidd) actions to help his fellow veterans come to light. Chandra Wilson and James Pickens Jr. also star. This series, the longest-running primetime medical drama in TV history, will be back for Season 19.

10 p.m. on CBS
Bull

After six seasons marred by some occasional behind-the-scenes misbehavior, this legal drama closes up shop with a series finale called, quite succinctly, "Goodbye." The story finds Dr. Jason Bull (Michael Weatherly) and the Trial Analysis Corporation team heading to court together one last time to finalize a negligent homicide defense that will change the nature of their company — and, in some cases, their lives — forever. Geneva Carr, Jaime Lee Kirchner, Chris Jackson and Yara Martinez also star.

10 p.m. on ID
Devil in the Web

Almost no one would allow a total stranger inside their home and into the private lives of those living there, yet those same people may innocently be doing something similar every time they go on the internet. This unsettling new docuseries explores the devastating effects of crimes perpetrated by persons who use seemingly innocent information shared online to harass, humiliate and even invade the offline world of their victims. Once started, this nightmare is almost impossible to stop, or to seek justice from those who cause it.
