7 p.m. on TRAV Portals to Hell

In a new episode, co-host Katrina Weidman takes fellow investigator Jack Osbourne to Kreisler Mansion, a historic home in Staten Island, N.Y., where a past paranormal experience left her searching for some answers. Listed on the National Register of Historic Places, the sprawling Queen Anne-style structure was built by German immigrant Balthasar Kreisler for his son, Edward, who committed suicide in 1894, an incident that helped give the house a supernatural reputation. Since Weidman's first visit, a new spirit seems to have taken up residence there.

8 p.m. on BBCA Planet Earth: Dynasties

The new episode "Elephant" takes viewers to Amboseli National Park in Kenya, where a once-thriving family of pachyderms is struggling to keep their calves alive in the wake of their matriarch's recent death. A new leader may be about to emerge in the form of a pregnant female called Angelina, especially after she gives birth to twins, an extraordinarily rare occurrence among elephants. While that may seem like cause for celebration, however, the odds that Angelina and her family can keep both new arrivals alive are slim.

8 p.m. on SUND Movie: Sixteen Candles

Molly Ringwald shines in this touching 1984 comedy as Samantha, whose family forgets her 16th birthday in all the excitement surrounding her sister's wedding. Even her grandparents forget, although Grandma does take notice, in her own way, of Samantha's emerging womanhood. Compounding her adolescent angst is the fact that the guy she likes is ignoring her, and the king of the geeks is in hot pursuit.

9 p.m. on HGTV Everything But the House

Host Lara Spencer returns for the sophomore season of this fascinating home show, in which she and her expert team of appraisers scour the homes of clients in search of buried treasures that might be worth some big bucks. Items that typically may yield happy rewards include vintage clothing and sports memorabilia, as well as antique furniture and kitschy collectibles. In the season premiere, Spencer works with an avid collector named Debbie, whose potential trove includes many generations of household items.
