HOROSCOPES

YOUR BIRTHDAY by Stella Wilder

Born today, you are perhaps the most misunderstood individual born under your sign, for there are two clear and distinct sides to your personality that are constantly vying for dominance. It is quite difficult for others to know just which is the real you -- when, in fact, the answer is a resounding "both!" You are able to shift from one to the other very quickly, depending on the situations in which you find yourself; you may highlight one side of your nature while at work and let the other come to the surface when you are at home.

WEDNESDAY, MAY 25
GEMINI (May 21-June 20) -- A misunderstanding between you and another Gemini may take up more of your time today than expected -- but the outcome benefits you both.

CANCER (June 21-July 22) -- You're eager to see who will step forward and volunteer for a job that waits to be done. This is not some-

thing you should take on yourself!

LEO (July 23-Aug. 22) -- You should be able to prove yourself without making too much of a show of things today. Those who support you will go to bat for you when they can.

VIRGO (Aug. 23-Sept. 22) -- A rough start yields a spectacular conclusion today -- and you'll surely want certain people to be a part of it when it comes to pass.

LIBRA (Sept. 23-Oct. 22) -- A certain message means more to you today than you might have expected had you the chance to anticipate it in the first place. Do your job.

SCORPIO (Oct. 23-Nov. 21) -- Just when you think it's time to move on, someone may pull you back into the center of a situation that requires your complete attention today.

SAGITTARIUS (Nov. 22-Dec. 21) -- A personal battle must be planned, fought and won during daylight hours. If you overlook a detail, the outcome will not please you.

CAPRICORN (Dec. 22-Jan. 19) -- You're likely to figure more prominently in someone's affairs today than anyone else will figure in yours -- but only for now.

AQUARIUS (Jan. 20-Feb. 18) -- Fortunately for everyone concerned, the arrangement you have to make today needn't last very long at all. You'll be free once again soon!

PISCES (Feb. 19-March 20) -- Someone may require some buttering up today before you are able to win approval for something you've been planning for some time.

ARIES (March 21-April 19) -- Someone's work will likely influence your own today, but be sure to stop short of outright imitation. Others must hear what you have to say!

TAURUS (April 20-May 20) -- You can put together an integrated effort out of many disparate parts today -- and everyone concerned will be helpful. Do it again.
