HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder
Born today, you are a relatively simple and straightforward individual, and your tastes similarly run to the uncomplicated. Indeed, that one word, "uncomplicated," is likely to shape your entire life in all manner of ways, for you want nothing so much as to enjoy a life stripped of the kinds of complications and complexities that so many others pursue, and in which they can so easily drown. You are quite sensitive and have much of the artist about you; you are quick to be drawn in a given direction and to follow that path with all your heart and soul, intent on uncovering all that it may offer you.

SATURDAY, MAY 28
GEMINI (May 21-June 20) -- You may have to recalibrate your thinking today in order to be in sync with someone, but is that really what you should be doing?
CANCER (June 21-July 22) -- Questions abound today, but the answers are just as plentiful, and all you have to do is look in the right places for the right information.

LEO (July 23-Aug. 22) -- Your own creativity may lead to some frustration today, as there seems to be a disconnect between desire and possibility. Keep working!
VIRGO (Aug. 23-Sept. 22) -- You can turn your own imaginings into reality before the day is out -- but you must pick and choose which are the most viable right now.
LIBRA (Sept. 23-Oct. 22) -- You can do more than you have scheduled, but take care that you don't leave someone behind. Remember that relationships are not accomplishments.
SCORPIO (Oct. 23-Nov. 21) -- You may have trouble shaking a feeling that you're not one of the gang today. Take the time to think through all you are doing.
SAGITTARIUS (Nov. 22-Dec. 21) -- How you relate to those around you today says a great deal about what you are after -- and shows you two separate versions of the future.

CAPRICORN (Dec. 22-Jan. 19) -- You must be ready to navigate some unexpected mood swings today -- and in the days to come, perhaps. Stay out of the way of certain people!
AQUARIUS (Jan. 20-Feb. 18) -- You may require more than assistance today. Someone close to you suspects that more is going on than you're willing to share; is it true?
PISCES (Feb. 19-March 20) -- It's important for you to have everything laid out in perfect order today -- or if not perfect, then at least logical. This is surely possible.
ARIES (March 21-April 19) -- You may not know how to approach someone who is breaking the rules. Focus on correction rather than punishment and all should be well.
TAURUS (April 20-May 20) -- A routine event becomes far more special to you today when you realize just how much you can benefit now that a certain someone is involved.
