“Movie: The Mountain Between Us”

Director Hany Abu-Assad's 2017 survival drama stars Idris Elba and Kate Winslet as, respectively, neurosurgeon Ben Bass and journalist Alex Martin, who board a small private plane to Salt Lake City after their original flights are grounded by a storm. Unfortunately, their fragile aircraft crashes in the vast expanse of Utah's High Uintas Wilderness.

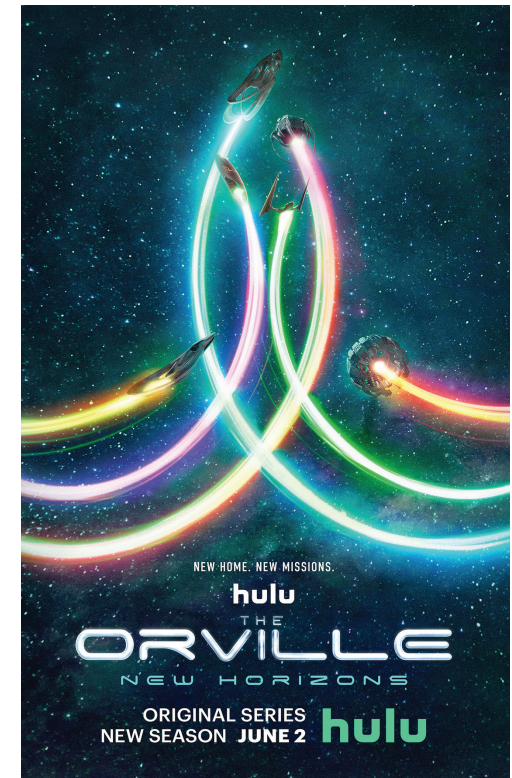

“Movie: The Brass Teapot”

This 2012 fantasy tackles the notion that money cures all ills. Juno Temple and Michael Angarano play a couple who seemed to have it made when they married but have been facing challenges since. They end up at an antique shop where the title teapot could prove the solution to their problems — or generate even more troubles for them. Alexis Bledel and Alia Shawkat co-star.

“Pistol”

Former Sex Pistols guitarist Steve Jones' memoir “Lonely Boy: Tales from a Sex Pistol” served as the basis for six-episode limited series about a turbulent time in music history when his band helped usher in a punk revolution in Great Britain. Toby Wallace (“Babyteeth”) stars as Jones, in a cast with Jacob Slater, Anson Boon, Christian Lees and Louis Partridge. (ORIGINAL)

Orville continuing their mission of exploration, as they navigate the mysteries of the universe and the complexities of their own interpersonal relationships.
