Tian Richards
9 p.m. on CW
Tom Swift

First seen in Season 2 of another CW series, "Nancy Drew," Tian Richards returns as brilliant and fabulously wealthy young inventor Tom Swift in this radically reimagined new series inspired by the classic juvenile novels of yesteryear. As the story opens, Tom's breezy life is shaken by the sudden disappearance of his father, thrusting Tom into a new world wherein he is pursued by a sinister Illuminati-like cabal. He is kept grounded by BFF Zenzi (Ashleigh Murray) and his faithful bodyguard, Isaac (Marquise Vilson).
