Ayisha Issa

8 p.m. on NBC
Transplant

While Mags (Laurence Leboeuf) is frantically fighting to save a baby with a heart defect, she finds herself flooded by memories of the health problems that plagued her as a child in the new episode "Between." Even though he's aware his own performance is being closely scrutinized, Bash (Hamza Haq) takes time to provide remote treatment to a cluster of patients stricken with a mystery illness back in Aleppo. Elsewhere, June's (Ayisha Issa) personal and professional lives collide. Jim Watson also stars.

8 p.m. on HALL
Movie: Hidden Gems

In the days leading up to her sister's dream island wedding, Addie (Hunter King) is horrified when she accidentally loses her grandmother's cherished wedding ring in Hawaiian waters. Desperate to retrieve the heirloom, she hires Jack (Beau Mirchoff), a handsome diving instructor, to conduct a search beneath the waves, but when she insists on coming along herself, a clash quickly ensues. When cooler heads prevail, Jack persuades Addie to let him take her on a tour of some of Hawaii's lesser-known spots, in this 2022 romance.

8 p.m. on BBKA
Planet Earth: Dynasties

Kali, a big cat battling a series of challenges to raise her family in the unrelenting grasslands of Western Zambia, is the principal focus of the new episode "Cheetah." Out of the 14 cubs she has given birth to, only two still survive and now, at the age of 8, Kali is considered an "old lady" in terms of the speed and strength needed to thrive in this harsh environment. David Attenborough is the narrator.

9 p.m. on HIST
Pawn Stars

Things threaten to go nuclear when a highly collectible Japanese Godzilla doll comes into the shop for appraisal in the new episode "Pawntourage." That title references a Johnny Drama whiskey bottle associated with the Emmy-winning HBO comedy series "Entourage" that another seller brings in. Also featured in the episode are a leather bomber's jacket from the World War II era and a video display for "The Godfather." Another new episode follows.
