**HOROSCOPES** by Stella Wilder

TUESDAY, MAY 31, 2022  
 YOUR BIRTHDAY by Stella Wilder  
 Born today, you possess a unique way of looking at the world around you, one that is realistic and also quite optimistic -- a rare combination that allows you to remain above the fray while still understanding and connecting to those who are in the trenches, toiling day after day in ways that you are usually able to avoid.  
 WEDNESDAY, JUNE 1  
 GEMINI (May 21-June 20) -- News received today may not affect you directly just yet, but it will, and very likely when you least expect it to do so. Be ready to respond!  
 CANCER (June 21-July 22) -- It may be difficult to reach all of your goals today when you are paired with someone whose methods are not in sync with your own.  
 LEO (July 23-Aug. 22) -- A surprise may cause a delay today, but you can get things moving again just in time to tend to the major issue facing you at this time.  
 VIRGO (Aug. 23-Sept. 22) -- Your own reaction to someone's comments about your work or behavior may surprise you today; you'll likely have to make an apology.  
 LIBRA (Sept. 23-Oct. 22) -- Emotions are likely very near the surface today, but you don't have to give way to them entirely. You can remain both calm and rational.  
 SCORPIO (Oct. 23-Nov. 21) -- An exchange between you and a friend takes you entirely by surprise and may have you seeing red because of mutual misunderstandings.  
 SAGITTARIUS (Nov. 22-Dec. 21) -- You may be blamed for something that is not at all your fault today -- but you'll still have to do all you can to ease resulting tensions.  
 CAPRICORN (Dec. 22-Jan. 19) -- Requirements today may be more than expected, but if you work closely with another, you should be able to check all the necessary boxes.  
 AQUARIUS (Jan. 20-Feb. 18) -- You receive a warning that confuses you at first, but after careful thought, you'll realize what you should do to respond in a positive way.  
 PISCES (Feb. 19-March 20) -- Adjustments you make to your behavior are sure to be noticed either at home or at the workplace today, no matter how subtle they may be.  
 ARIES (March 21-April 19) -- You are likely to have more questions than usual today, but that's only because so much is going on that you're growing curiousity.  
 TAURUS (April 20-May 20) -- No matter how much you encourage another today, you'll likely have to be there every step of the way with moral and emotional support.
