YOUR BIRTHDAY by Stella Wilder

Born today, you are known for your imaginative take on the world around you that sometimes compels you to indulge in behavior that is unrealistic or, at the very least, unlikely to result in anything substantive. Does this mean that you are unlikely to accomplish anything of import during your lifetime, anything that is effective and memorable? On the contrary! You can do very much, but you must always have by your side someone to balance your imaginative, visionary nature with the voice of reason.

FRIDAY, JUNE 3

GEMINI (May 21-June 20) -- You are aware of what you are doing and why, but you may not understand completely how your methods affect those around you. Be sure to ask!

CANCER (June 21-July 22) -- You may not wish to immerse yourself in the very thing that is now available to you -- but if you don't

at this point, when will you? It's now or never!

LEO (July 23-Aug. 22) -- It's time to insist that those working with you get with the program, adjust their attitudes and give you their all. You deserve no less.

VIRGO (Aug. 23-Sept. 22) -- The more you harp on the same shortcomings, the more someone is likely to rebel. You must let some things go and pick your battles.

LIBRA (Sept. 23-Oct. 22) -- You may not be able to handle everything with the same confidence and ease as usual today, but a friend's assistance smooths the way.

SCORPIO (Oct. 23-Nov. 21) -- You're facing a winding road, and you must be willing to take the time to plan accordingly. Your timing today may be quite unusual.

SAGITTARIUS (Nov. 22-Dec. 21) -- Something that begins playfully must not be allowed to get so serious that all the enjoyment is lost. Remember your motives!

CAPRICORN (Dec. 22-Jan. 19) -- You may discover that someone has recently

thrown you under the bus -- but in little time today you can undo any damage that was done.

AQUARIUS (Jan. 20-Feb. 18) -- Even the tiniest misinterpretation can result in a significant setback today; you must be sure to see things as they really are.

PISCES (Feb. 19-March 20) -- You may find it difficult to tell one thing from another today when looking too closely at both. Take a step back and gain objectivity.

ARIES (March 21-April 19) -- You are letting yourself become involved in a situation that you were better off steering clear of -- but that choice may be unavailable to you now.

TAURUS (April 20-May 20) -- You may be oddly attracted by an endeavor that is either too random or too unusual to do you any real good -- but does that really matter?
