HOROSCOPES by Stella Wilder

SATURDAY, JUNE 18, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of those rare and fortunate individuals on whom the stars seem to shine very brightly at all times, providing you with opportunities and rewards in both your personal life and your professional affairs. This doesn't mean, of course, that success and contentment are guaranteed for you -- for who enjoys any such guarantee anywhere? But you have certainly been given all you need to succeed as far as personality, talent, ambition, emotional maturity and balance are concerned.

SUNDAY, JUNE 19
GEMINI (May 21-June 20) -- Your sense of right and wrong may be challenged today by someone who isn't interested in following the rules. Make your case!

CANCER (June 21-July 22) -- Your inner compass is working overtime right now, and it may not be as important as you think it is to be going in the "right" direction.

LEO (July 23-Aug. 22) -- You are relying on your routine to give you the comfort you seek right now, but it may be upset by someone who isn't aware of your needs.

VIRGO (Aug. 23-Sept. 22) -- You must immerse yourself more completely in what is going on around you today if you're going to benefit as others do. Don't be sheepish.

LIBRA (Sept. 23-Oct. 22) -- You may be facing a difficult challenge, but you have what it takes to overcome it -- particularly if you can get a friend to sign on.

SCORPIO (Oct. 23-Nov. 21) -- You can do much with a smile and a kind word today, but be careful that you're not being taken in by someone who is faking it.

SAGITTARIUS (Nov. 22-Dec. 21) -- You know how to do what needs to be done, but before you get started, you may want to review some basics. Build a strong foundation.

CAPRICORN (Dec. 22-Jan. 19) -- You are never going to be in the perfect position to ask for what you want, so you must be willing to lay it on the line whenever you can.

AQUARIUS (Jan. 20-Feb. 18) -- You may find yourself focusing more on what cannot be done than on what can, but this will have you thinking about breaking down barriers.

PISCES (Feb. 19-March 20) -- Better early than late today -- but if late is the only choice, do it then, whatever it is. Don't miss out entirely!

ARIES (March 21-April 19) -- Play your cards right today and you can have much more to play with later when the opportunity arises. You must protect your winnings!

TAURUS (April 20-May 20) -- Someone may be trying to send you a message today that you simply cannot decode. This may be because it means precisely what it says.
