Martin Freeman

9 p.m. on LIFE TextMeWhenYouGetHome

April Millsap's mother recalls the day she asked her 14-year-old daughter, April, to text her when she got home from walking the dog, but the teenager never did. Instead, she sent a cryptic text to her boyfriend, then disappeared. This new episode revisits a case that left the lives of April's family changed forever.

9 p.m. on HBO Irma Vep

In a new episode called "Dead Man's Escape," a surprisingly candid talk with her boorish co-star Gottfried (Lars Eidinger) leads Mira (Alicia Vikander) to open up about her past. Meanwhile, René (Vincent Macaigne) is haunted by his relationship with his ex-wife, who played Irma Vep in his 1996 movie. Elsewhere, a breakthrough with Edmond (Vincent Lacoste) results in yet another on-set calamity. Byron Bowers also stars.

10 p.m. on FX Breeders

Hoping to recreate a cherished family memory, Paul (Martin Freeman) takes parents Jackie and Jim (Joanna Bacon, Alun Armstrong) on a day trip to the bucolic countryside in the new episode "No Way Back." Their outing goes disastrously off the rails, however, when a number of long-held secrets come to light, sending all three of them reeling. Daisy Haggard also stars.
