WILD NIGHTS WITH EMILY

“Movie: Wild Nights With Emily”

Writer/director Madeleine Olnek’s (“Codependent Lesbian Space Alien Seeks Same”) 2018 comedy brings to life the lesser-known side of the life of writer Emily Dickinson (played here by “SNL” alum Molly Shannon), one that included a lifelong relationship with neighbor and sister-in-law Susan Gilbert Dickinson (Susan Ziegler, “The Never List”). Amy Seimetz, Brett Gelman and Kevin Seal also star.

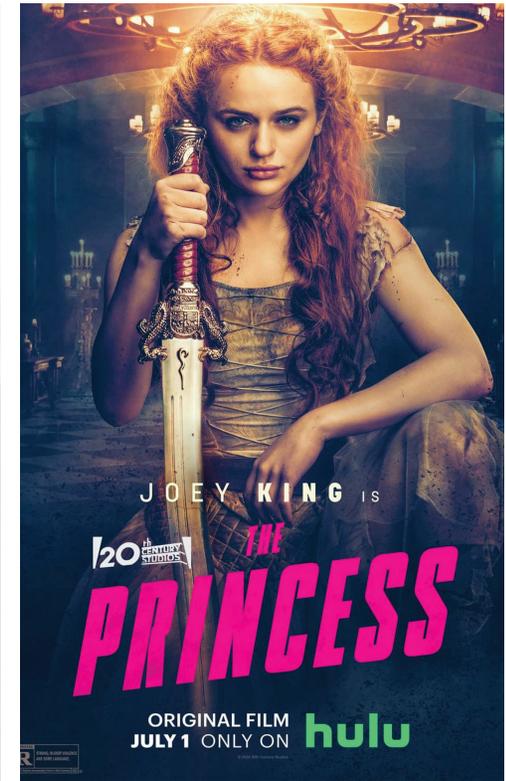

“Only Murders in the Building”

The sophomore round of this dramedy picks up in the wake of Arconia Board President Bunny Folger’s shocking death and finds Charles, Oliver and Mabel (Steve Martin, Martin Short, Selena Gomez) on a race to unmask her killer — a crime in which the trio becomes implicated, thus making them the subject of a competing podcast. “Movie: The Unknown Girl”

From Belgian directors Jean-Pierre and Luc Dardenne (“Two Days, One Night”) comes this 2016 crime drama about a young doctor (Adèle Haenel, “Love at First Fight”) who becomes obsessed with the case of a dead woman when she learns the woman had rung her doorbell shortly before her death. Olivier Bonnaud, Jérémie Renier and Louka Minnella also star.

“Movie: The Princess”

From director Le-Van Kiet (“Furie”) comes this actioner that stars Joey King (“The Act”) as a strong-willed princess who is locked away in a remote tower of her father’s castle after she refuses to marry her cruel suitor. With the scorned sociopath intent on taking her father’s throne, the princess must protect her family and save the kingdom. Dominic Cooper and Olga Kurylenko also star. (ORIGINAL)
