Elsewhere, Dr. Bishop's (John Hannah) ambitions for the department lead to some staffing changes. Movie: Jailbreak Lovers

Inspired by a true story, this 2022 drama stars Catherine Bell ("Good Witch") as Toby, a conservative woman who grew up always following the rules. After she loses her job, Toby still tries to do the right thing by starting a non-profit charity to rescue and rehabilitate abused dogs at a local prison. That benevolent effort leads to an encounter with John (Tom Stevens, "The 100"), a younger inmate and convicted murderer. It's only the first of several bad decisions, and soon the couple is on the run.

Planet Earth: Dynasties

Narrated by estimable British filmmaker and naturalist Sir David Attenborough, this breathtaking five-week journey into the secret lives of some of the most charismatic animals on Earth has never disappointed, taking viewers up close to such critters as pumas, cheetahs, hyenas and meerkats. Moreover each episode has packed an emotional wallop by revealing the complex interactions among these animal characters. Caping this docuseries is "The Making Of," which celebrates the daunting challenges this production's creative team faced during filming.
