**HOROSCOPES** by Stella Wilder

TUESDAY, JUNE 28, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you have a curious mind which, combined with a great deal of fortitude and stamina, can surely bring you to the pinnacle of success in your chosen field. It is essential, however, that you avoid two key mistakes: 1) You must not wait until it's too late to exploit the opportunities presented to you when you are young, for they will point the way for the adult you; and 2) You must never assume that you can do everything you want to do on your own.

WEDNESDAY, JUNE 29  
**CANCER (June 21-July 22)** -- You may have to make a few subtle moves today in order to record any real progress -- especially where a certain relationship is concerned.

**LEO (July 23-Aug. 22)** -- Focus on what you can see, not simply what you can imagine. Ultimately, your inner visions will be valuable, but today only reality counts.

**VIRGO (Aug. 23-Sept. 22)** -- You may be asked to step so far out of your comfort zone that you don't recognize what is really required of you at all. Take a leap of faith.

**LIBRA (Sept. 23-Oct. 22)** -- You'll find yourself relying on a friend more than you had expected, but everything that happens should benefit you both equally.

**SCORPIO (Oct. 23-Nov. 21)** -- Frustration may be unavoidable today, but you can perhaps rise above it if you remember just what role you play in the scheme of things.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- The secret of your own success is not lost on you at all at this time, though others may be wondering how you do it. Share what you can.

**CAPRICORN (Dec. 22-Jan. 19)** -- You can be far more daring today than anyone around you, and the results will surely surprise those who can't take the same risks.

**AQUARIUS (Jan. 20-Feb. 18)** -- If you find that your behavior is getting all the wrong reactions today, you can adjust quickly and set things right without losing ground.

**PISCES (Feb. 19-March 20)** -- A message sent yields more than one returned, and you may find yourself wondering why certain people have gotten themselves involved in this.

**ARIES (March 21-April 19)** -- You can move forward today without taking undue advantage of anyone in the process. Each step you take sends a clear message.

**TAURUS (April 20-May 20)** -- Your contribution to a group effort may not yield the results you were hoping for today, but others will be appreciative no matter what.

**GEMINI (May 21-June 20)** -- You and a friend may well discover something new about your relationship today as a result of a sudden surge in collaborative activity.
