tonight s best

Roger Allam

9 p.m. on PBS

Endeavour on Masterpiece

This beloved police prequel wraps up its frustratingly short eighth season with a finale called "Terminus," which opens in November of 1971, when an Oxford don is murdered shortly after disembarking a bus. It's a brutal killing that reminds Thursday (Roger Allam) of another crime from a few years ago.

With summer here, there is lots of traveling. Be safe & have fun!
