HOROSCOPES by Stella Wilder

TUESDAY, JULY 5, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you have one central philo-
sophy that lies at the heart of all that you do: The
bigger the better! You are never happy taking
something only so far when there is a possibil-
ity of taking it even further, and you have no
fear whatsoever of taking it "too far" -- for you
don't believe that such a place exists.

WEDNESDAY, JULY 6
CANCER (June 21-July 22) -- Your habit of
exploring things from the safety of your home
can get you only so far today. You'll have to
step out of your comfort zone.

LEO (July 23-Aug. 22) -- As effective as
your old methods have been in the past, the
way has come for you to update your
approach. New situations send you a new way.

VIRGO (Aug. 23-Sept. 22) -- You may be
overly concerned that your reputation is on
the line, but this is not entirely the case.

Someone has been feeding you malarkey.
LIBRA (Sept. 23-Oct. 22) -- Despite what
you've been saying to others, you're not ready
or willing to make certain changes. The status
quo serves you well for now.

SCORPIO (Oct. 23-Nov. 21) -- An uncal-
culated reaction to something you've been
observing for some time may send the wrong
message today. Do what you can to clear the
air.

SAGITTARIUS (Nov. 22-Dec. 21) -- A
rival presses you today, and you may find
yourself caught in a tricky situation from
which there is no obvious escape -- yet.

CAPRICORN (Dec. 22-Jan. 19) -- The
things that come your way today will all tip
the scale toward the positive -- but you may be
still have to deal with a hidden evil.

AQUARIUS (Jan. 20-Feb. 18) -- You have
the choice of being stationary today or on the
move, and while each has its own benefits,
you're eager to strike out on your own.

PISCES (Feb. 19-March 20) -- The obvious
isn't so obvious once you look more closely at
it. You'll discover today much that you had
overlooked the first time.

ARIES (March 21-April 19) -- Expecting
the worst from someone is only likely to invite
the worst, so you are better off approaching
the situation with a positive outlook.

TAURUS (April 20-May 20) -- Someone
close to you hasn't yet received the message
you've been trying to send. The time has come
to be more direct; avoid any sort of code.

GEMINI (May 21-June 20) -- You may be
more interested in those things that lie outside
your usual field of study today -- and they're
sure to pull you in a new direction.
