HOROSCOPES by Stella Wilder

SUNDAY, JULY 10, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are never quite satisfied with the way things are, and yet most of the time you do not quite know what you can do to make things better for yourself. This is perhaps because you have a habit of looking back and seeing the best of things in your rearview mirror; you are certain, more often than not, that your best times are past. But this is certainly not the case.
MONDAY, JULY 11
CANCER (June 21-July 22) -- The more support you solicit today, the less you're likely to get -- but without asking for a thing, you're likely to attract valuable help.
LEO (July 23-Aug. 22) -- Make your intentions plain today, but don't expect everyone to jump on the bandwagon. You must be willing to work within certain inviolate laws.
VIRGO (Aug. 23-Sept. 22) -- The longer you wait, the more ready you'll be when your

turn comes -- but that wisdom doesn't help with the frustration you may naturally feel.
LIBRA (Sept. 23-Oct. 22) -- Information you provide may not be quite as important as that which you receive today -- but by using both in tandem, you can make much headway.
SCORPIO (Oct. 23-Nov. 21) -- You won't be able to avoid a run-in with someone on the other side of a major issue, but you can certainly avoid stooping to their level.
SAGITTARIUS (Nov. 22-Dec. 21) -- What you expected to arrive today isn't likely to come, but something else may appear in its place that enables you to make progress.
CAPRICORN (Dec. 22-Jan. 19) -- Your domestic situation proves challenging today as you realize you cannot help everyone overcome the feelings that come over them.
AQUARIUS (Jan. 20-Feb. 18) -- You may feel powerless to help someone avoid a challenging or troubling situation -- but you can

be there to help with the aftermath.
PISCES (Feb. 19-March 20) -- Despite any feelings of isolation that you may have at this time, you've been benefiting from interaction with others. This continues.
ARIES (March 21-April 19) -- You may not want to be calling the shots, but neither do you want to be told what to do. This may be a good day for you to go it alone.
TAURUS (April 20-May 20) -- Your contribution to group effort can be significant today. Take the time to spell out your plan in a logical way, and don't interrupt others.
GEMINI (May 21-June 20) -- It's a good time to do precisely what is expected of you -- but that doesn't mean you cannot also satisfy your desire to spread your wings.

MONDAY, JULY 11, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you may not be the most imposing personality or physical specimen, and yet your inner strength and tenacity will enable you to battle successfully with those who seem to have the advantage over you in every way -- and so will your native smarts, which are likely to be unmatched by anyone else born under your sign. You are quick to engage in conversation with others and are always ready with a fact or anecdote to support your beliefs or assertions.
TUESDAY, JULY 12
CANCER (June 21-July 22) -- The more down-to-earth and practical your approach today, the more headway you will make -- especially dealing with someone unusually stubborn.
LEO (July 23-Aug. 22) -- You can learn a great deal today from the people you hang out with -- and your leisure time will be filled

with productive activity.
VIRGO (Aug. 23-Sept. 22) -- Other people will have their eyes on you all day long, and some will muster the courage to drift into your orbit. Treat them well.
LIBRA (Sept. 23-Oct. 22) -- Your ability to empower those around you comes in very handy today, as there is much to do, and you certainly can't do it all on your own.
SCORPIO (Oct. 23-Nov. 21) -- You may wonder at someone's inability to understand a certain central issue -- but it's far more complex than you realize. Be patient!
SAGITTARIUS (Nov. 22-Dec. 21) -- You're likely to get a report that gets you thinking about things in a new way. Perhaps you have recently misinterpreted certain events.
CAPRICORN (Dec. 22-Jan. 19) -- You should be able to follow instructions today while also satisfying your desire to do things your way. You can explain your methods later.

AQUARIUS (Jan. 20-Feb. 18) -- The spotlight will likely be on a particular friendship today, and what you do out of generosity can surely count far more than anything else.
PISCES (Feb. 19-March 20) -- You may be feeling as if something has recently set you at odds with yourself -- but close examination reveals that something else is at work.
ARIES (March 21-April 19) -- You may be asked to do something that is unusual for you, but once you get started, stepping out of your comfort zone will be exhilarating.
TAURUS (April 20-May 20) -- You may have trouble getting your point across today, but you'll have the opportunity to clarify almost everything very soon.
GEMINI (May 21-June 20) -- The people around you can help you come to a better understanding of what you have recently been doing -- and what you must do next.
