The Croc That Ate Jaws:
Ancient Enemies

At locations around the world, biologists have noticed a strange phenomenon that seems to be leading both alligators and crocodiles to venture farther out to sea, eventually entering active shark territory. Inevitably, that new behavior is resulting in an uptick in the clashes between these creatures. Biologist Mike Heithaus is host for this special that investigates which of these predators is more likely to come out on top in these confrontations.

Good Trouble

In a new episode called "Baby, Just Say Yes," Alice and Sumi (Sherry Cola, Kara Wang) get caught up with TikTok challenges, while Davia (Emma Hunton) finds herself struggling with the pressures of homeschooling. Elsewhere, Mariana (Cierra Ramirez) helps Joaquin (Bryan Craig) search for Jenna (Maiara Walsh), and Luca (Booboo Stewart) moves into the Coterie. Meanwhile, Isabella (Priscilla Quintana) crosses a boundary with Gael (Tommy Martinez).

Sharks That Eat Everything

Sharks come to have no limits when it comes to their curiosity — and, needless to say, their voracious hunger. This new special reviews reports of how sharks often are willing to chow down on some of the most unexpected things, ranging from game (including hippos and crocodiles) and such inanimate objects as kayaks, cages and even chicken coops.

Top Gear

Hosts Freddie Flintoff, Chris Harris and Paddy McGuinness all have their racing licenses as they return for a new season of this hit automotive series, which comprises five new episodes. In the premiere, "Team Top Gear Does Florida," they're on a motorsport mission to the Sunshine State, the home of grassroots racing. Their team will compete against talented local teams in such events as donk-car drag racing and a swamp buggy shootout, leading up to a NASCAR-style showdown at the Freedom Factory Raceway, where the racers will be in old-style police cars.
