HOROSCOPES by Stella Wilder

SATURDAY, JULY 9, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are not always what you
seem to be, but you never give that much
thought; you leave it to others to wonder who
the real you might be. This is not to say that
you aren't consistent or that you don't really
know who you are; on the contrary, "consis-
tency" might well be your middle name, and a
strong sense of self is perhaps your core trait.
SUNDAY, JULY 10
CANCER (June 21-July 22) -- The more
topics you are able to study today, the better;
your curiosity is virtually limitless right now,
and potential is high.
LEO (July 23-Aug. 22) -- A quick look
around you yields information that you can
put to good use today -- some almost immedi-
ately, as you jockey for position.
VIRGO (Aug. 23-Sept. 22) -- Your unusual
way of eliciting information from others will
come in very handy today as you try to answer
questions no one else can.
LIBRA (Sept. 23-Oct. 22) -- The more
down to earth you are today, the better,
though your thoughts may take you into the
stratosphere. Be as realistic as possible.
SCORPIO (Oct. 23-Nov. 21) -- Avoid judg-
ment of others today, especially in those situa-
tions in which it would be so easy to judge!
Remain neutral.
SAGITTARIUS (Nov. 22-Dec. 21) -- You
are not all that concerned about a certain deci-
sion you have to make today, for you can make
all the options work well.
CAPRICORN (Dec. 22-Jan. 19) -- Take
care that a bargain you have to strike rather
quickly with someone isn't actually one-sided.
Both parties must gain something!
AQUARIUS (Jan. 20-Feb. 18) -- Not all the
ideas proposed today are worth exploring
fully, but one has you thinking that your team
may well be onto something.
PISCES (Feb. 19-March 20) -- If you can
take the high road today and avoid clashing
with anyone to the right or left, you will acquit
yourself well and shine brightly.
ARIES (March 21-April 19) -- You're not
likely to come up with a quick solution to a
problem that has been challenging you for
some time -- but you'll get very close!
TAURUS (April 20-May 20) -- Now is no
time to reveal all you know to those around
you, for there is an advantage to be enjoyed by
concealing at least a few details.
GEMINI (May 21-June 20) -- You've been
acting on a certain assumption for quite a
while, and today it's likely to be revealed that
not all is as you saw it. Adjust.
