HOROSCOPES by Stella Wilder

SATURDAY, JULY 16, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you are destined to cast a shadow that is long and formidable, for what you do in this life is bound to be remembered, studied, appreciated, criticized and even widely imitated for many lifetimes afterward. You are creative, positive in mind and spirit, always collaborative and eager to do things in ways that they have never been done -- or things that have themselves never been done.

SUNDAY, JULY 17
CANCER (June 21-July 22) -- You must be able to remain flexible at all times today, as circumstances are likely to change quickly and require some quick decision-making.
LEO (July 23-Aug. 22) -- It's time to leave one project and move on to the next, and you must be willing to accept defeat if the former didn't yield the desired results.
VIRGO (Aug. 23-Sept. 22) -- Are you able to see the downside to a certain situation you've recently been promoting? Others may engage with you in a difficult way.
LIBRA (Sept. 23-Oct. 22) -- Your first thought today may be to run from whatever it is you are facing, but by staying put, you'll finally exploit an opportunity.
SCORPIO (Oct. 23-Nov. 21) -- While others are rooting for you at this time, you may be considering doing something very different for reasons you cannot yet fully understand.
SAGITTARIUS (Nov. 22-Dec. 21) -- You're eager to dispense with traditional methods and adopt new ones that spring from your understanding of a new set of rules.
CAPRICORN (Dec. 22-Jan. 19) -- You're in need of a little more structure in your daily life, but until you understand your priorities better, this cannot happen.
AQUARIUS (Jan. 20-Feb. 18) -- Good ideas come to you very quickly today, but not everyone is going to share your enthusiasm. At least one idea, however, will be widely praised.
PISCES (Feb. 19-March 20) -- You must accept responsibility for what is happening to you at this time. This may require you to adopt a whole new way of thinking.
ARIES (March 21-April 19) -- You can step in and put down a rebellion of sorts that begins when a disagreement is allowed to ignite. Cool your own passions, too!
TAURUS (April 20-May 20) -- In collaboration with someone, you can do something today that benefits a third party in a way that prompts professional advancement.
GEMINI (May 21-June 20) -- You've gone without for long enough, and today's the day for you to stand up and stake your claim for that which you feel you so richly deserve.
