**HOROSCOPES** by Stella Wilder

WEDNESDAY, JULY 20, 2022  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are destined to chart your own path in life, and even though you may not know where you are at every turn, you certainly have a destination in mind and know how to stay on the path to ensure that you get there. Despite this single-mindedness of purpose, you enjoy the side trips that life sends you on now and then. You even welcome them and at times make decisions that will delay your forward progress and take you down some rarely traveled paths full of new experiences, adventures and discoveries.

THURSDAY, JULY 21  
CANCER (June 21-July 22) -- An emotional situation is likely to rear its ugly head before you can do anything to prevent it; you must be ready to control your feelings.  
LEO (July 23-Aug. 22) -- You're eager to know how a certain contest will play out, but there's no way to know without confirming your commitment before day's end.  
VIRGO (Aug. 23-Sept. 22) -- You may be sending a message that others are not ready to receive. You may have to navigate some rough terrain before hand-delivering it.  
LIBRA (Sept. 23-Oct. 22) -- The same effort that paid off for you yesterday may not have the same impact today, so you're going to have to assess, adjust and repeat.  
SCORPIO (Oct. 23-Nov. 21) -- Take care that a friendly contest doesn't become too serious simply because you don't know when to relinquish your advantage. It's all in fun!  
SAGITTARIUS (Nov. 22-Dec. 21) -- Someone may be trying to investigate both your motives and your methods -- and you're more than willing to share one but not the other.  
CAPRICORN (Dec. 22-Jan. 19) -- A trip down memory lane may cost you more than anticipated today, but you're willing to pay handsomely for the rewards you can reap.

AQUARIUS (Jan. 20-Feb. 18) -- Your autonomy may be under siege at this time. Do what you must to ensure you are free to say and do what you will -- at all times.  
PISCES (Feb. 18-March 20) -- You have all your ducks in a row and all you have to do now is wait -- but how will you fill the time? A friend offers a suggestion or two.  
ARIES (March 21-April 19) -- Now is no time to make vague comments about that which is not up to par. If you're going to complain, you must do so clearly today.  
TAURUS (April 20-May 20) -- Tension rises in part today because you're not aware of what is compelling a competitor to break the rules. Soon you'll comprehend all.  
GEMINI (May 21-June 20) -- Go over the details of a plan you've had to throw together and you'll know that you did a better job than expected. Progress is assured.
