**HOROSCOPES** by Stella Wilder

THURSDAY, JULY 21, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you cherish nothing in life so much as simplicity, and because this is so, you are certain to pursue a rare kind of uncluttered lifestyle that keeps you above the fray more often than not, apart from the hustle and bustle of the everyday world. This is not to say that you never experience the mess and noise that is all around you; indeed, you will -- and it is this experience, when young, that will inspire you to pursue a different kind of life.

FRIDAY, JULY 22  
**CANCER** (June 21-July 22) -- Something traditional may rub you the wrong way today, not because of anything anyone does or says, but because you're not ready.  
**LEO** (July 23-Aug. 22) -- It's time for you to update your thinking with regard to certain things you habitually do and say. Your personal evolution is not yet complete!

**VIRGO** (Aug. 23-Sept. 22) -- It's important that you instruct others today in a manner that can be easily understood. Don't overexplain what is already very clear.  
**LIBRA** (Sept. 23-Oct. 22) -- Before you get out the door today, you may have to face a situation you had hoped would not arise. You can acquit yourself and move on.  
**SCORPIO** (Oct. 23-Nov. 21) -- What you're after may seem to be receding further into the distance, despite your efforts to reel it in. You must adopt some new tactics.  
**SAGITTARIUS** (Nov. 22-Dec. 21) -- Wait longer if you must, but those who have waited with you are ready to make a move and get things going. You can't have it both ways!  
**CAPRICORN** (Dec. 22-Jan. 19) -- You may have to go over the rules very carefully today as you work to ensure your own compliance. Not everyone is as conscientious as you.  
**AQUARIUS** (Jan. 20-Feb. 18) -- You must take care that something you've recently overlooked doesn't become the one issue that affects your day in a clearly negative fashion.  
**PISCES** (Feb. 19-March 20) -- The news you receive from someone far from home gives you encouragement today. You'll be able to report on your progress very soon.  
**ARIES** (March 21-April 19) -- You may be ready to call it quits today, but you have one or two more loose ends to tie up before you can finally go your own way, unfettered.  
**TAURUS** (April 20-May 20) -- You may be fearful that someone under your care isn't ready for what lies ahead, but you have time to give my last-minute instruction.  
**GEMINI** (May 21-June 20) -- You are tempted to say yes to someone who has asked you to fill a position of some importance
