Check out the employment listings in the classifieds and uncover a realm of possibilities, one of which is sure to be the right fit for you.

HOROSCOPES

by Stella Wilder

SUNDAY, JULY 24, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you were born with the rare gift of laughter -- and you're able to laugh at almost anyone or anything, even when others find the topic not at all humorous. You have your limits, however, and you will stop laughing very quickly when others try to control you in some way or limit the options available to you. You must be allowed to follow your bliss, to do the things that call to you, that speak to you, that compel your involvement -- and if anyone stands in your way, they are sure to learn you know how to put up quite a fight in defense of your own autonomy. MONDAY, JULY 25 LEO (July 23-Aug. 22) -- An idea you spawn today may well take off and make you very happy -- but not right away. You may have to polish it up just a bit first. VIRGO (Aug. 23-Sept. 22) -- Others are relying on you to do the right thing today, but you doubt your judgment is completely sound

when it comes to this issue. LIBRA (Sept. 23-Oct. 22) -- You can encourage another and derive benefit as well. Indeed, what you two do together can prove more than just profitable. Get started! SCORPIO (Oct. 23-Nov. 21) -- Just because you have a little more in your bank account doesn't mean you can go on a spending spree. Use care when deciding what to buy. SAGITTARIUS (Nov. 22-Dec. 21) -- A mistake made yesterday has given someone a rare advantage today -- but don't fret. You can be back on top by day's end. CAPRICORN (Dec. 22-Jan. 19) -- By worrying too much about a situation you cannot fully control, you're likely to give it far too much power over you. Get your work done. AQUARIUS (Jan. 20-Feb. 18) -- Whether at work or at play, you must be willing to share the glory, for little you do at this time will be of value without another's contribution.

PISCES (Feb. 19-March 20) -- You may be suspicious of someone's motives, but there's little you can do to prove you're right except continue down your current path. ARIES (March 21-April 19) -- The harder you pull on the reins, the more the horse will run away with you -- so your best bet is to ease up and let things slow themselves. TAURUS (April 20-May 20) -- The rules as written don't really favor anyone over anyone else right now, but you can alter the circumstances slightly and have a keen advantage. GEMINI (May 21-June 20) -- You're eager for a rendezvous that's been in the works for quite a while -- but first you must tend to a stubborn piece of business today. CANCER (June 21-July 22) -- This is the day you've been dreading for quite some time, but you can get through it easily if you follow someone's long-standing advice.

MONDAY, JULY 25, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you are the kind of person who will risk everything, and even toss essentials aside, to pursue a new opportunity that beckons to you. This is obviously not a guarantee of success, and you are sure to learn that sometimes it is better to hang on to what you have while you explore the potential of a new possibility -- but even when you know this, you are still tempted, again and again, to give it all up in favor of that which is still unknown. TUESDAY, JULY 26 LEO (July 23-Aug. 22) -- Give yourself a break today, just as you would someone else in the same circumstances. You're doing as well as you can -- and will do better! VIRGO (Aug. 23-Sept. 22) -- An early start doesn't necessarily mean you'll be able to call it a day sooner than usual. Afternoon surprises add to your load. LIBRA (Sept. 23-Oct. 22) -- You don't

want anyone to tell you what to do, and yet you don't seem to be doing much of anything -- yet. You can't have it both ways. SCORPIO (Oct. 23-Nov. 21) -- You may be more nervous than expected about an upcoming reunion. Be sure to show off both old and new aspects of your personality. SAGITTARIUS (Nov. 22-Dec. 21) -- You may get a great deal more mileage than expected today out of something you used to do that you've chosen to revive for this occasion. CAPRICORN (Dec. 22-Jan. 19) -- What you see outside doesn't necessarily match your hopes or your expectations, but you mustn't let the environment hold you back today. AQUARIUS (Jan. 20-Feb. 18) -- Take care that you're not simply doing something because you don't want to disappoint a friend. You may be getting yourself into hot water. PISCES (Feb. 19-March 20) -- Take the

time to assess your situation in some detail today, and be sure that your inventory of resources is accurate and complete. ARIES (March 21-April 19) -- You may wake today to find that the situation you thought you'd have to deal with has resolved itself. You'll be free to tend to other business. TAURUS (April 20-May 20) -- You become aware of subtle changes today that will surely affect you in the coming days, but not quite yet. You have time to plan a response. GEMINI (May 21-June 20) -- It's time to pick up the pace so you can match now what you did this time last year. Put yourself on the fast track if you can. CANCER (June 21-July 22) -- An old-fashioned notion takes root today and will likely have you making a surprising plan that others may dismiss as outdated.

Scoping Period Baker City Watershed Fuels Management Project USDA - Forest Service Wallowa-Whitman National Forest Whitman Ranger District Baker County, Oregon

The Whitman Ranger District invites you to comment on the proposed Baker City Watershed Fuels Management Project. The purpose of this project is to reduce hazardous fuels between the Baker City Watershed and nearby private land. The project area is approximately 22,787 acres on National Forest System lands. The project is located approximately 5 miles west of Baker City, Oregon in portions of the legal descriptions: T 9S., R 38E., sec 2-4, 9/16, 22-26, 36 and T 9S., R 39E., sec 17-20, 30-31.

The District and interagency partners will host an open house to answer questions regarding the proposed action on August 17 th , 2022 from 6pm to 8pm at the Baker City Fair Grounds Event Center in Baker City, Oregon.

For more detailed information, the following link will direct you to electronic versions of the scoping letter and maps: https://www.fs.usda.gov/project/?project=58480

HOW TO COMMENT

Those of you who are interested in the Baker City Watershed Fuels Management Project are encouraged to become involved in the planning process by providing us with comments and suggestions. In order to be eligible to participate in the Objection process, written comments must be received by August 30th, 2022. Specific written comments should be within the scope of the proposed action, have a direct relationship to the proposed action, and must include supporting reasons for the responsible official to consider. These comments will be used to resolve issues and develop additional alternatives. Comments that you provide on this project will become a matter of public record.

Written comments must be submitted to: Kendall Cikanek, Whitman District Ranger, 1550 Dewey Ave., Suite A, Baker City, OR 97814, FAX-541-523-1965. The office business hours for those submitting hand-delivered comments are: 8:00 a.m. to 4:30 p.m. Monday through Friday, excluding holidays. Please be sure to include Baker City Watershed Fuels Management Project as the subject for your written comments.

Electronic objections must be submitted to: Wallowa-Whitman National Forest's project webpage at https://www.fs.usda.gov/project/?project=58480 . Select the "Comment/Object on Project" link in the "Get Connected" group at the right-hand side of the project webpage.

Oral comments must be provided at the Responsible Official's office during normal business hours via telephone 541-523-6391 or in person at the street address above. Comments received, including the names and addresses of those who comment, will be considered part of the public record for this proposal and will be available for public inspection (Authority: 40 CFR 1501.7 and 1508.22; Forest Service Handbook 1909.15, Section 21).

If you have any questions, additional information can be provided by contacting Monique Adler, Environmental Coordinator at monique.adler@usda.gov or (541) 523-1342.
