## 8 p.m. on SHOW We Hunt Together

Season 2 of this British psychological crime drama comes to a close as detectives Jackson and Lola (Babou Ceesay, Eve Myles) finally have the shadowy villain they know only as The Birdman in their sights. The fact that this killer has been picking off associates of Freddy Lane (Hermione Corfield), the detectives' Season 1 quarry, means that this time around, she's also looking to take down the bad guy.

With summer here, there is lots of traveling.

Be safe & have fun!
