8 p.m. on TDC Tracy Morgan Presents: Sharks! with Tracy Morgan

"The Last O.G.," "30 Rock" and "Saturday Night Live" actor/comedian takes a deep dive with viewers to highlight his favorite sharks, based on their capabilities and ways they adapt to their surroundings. By teaming up with experts across the country, Morgan shines the spotlight on some of the craziest and most ferocious sharks in the ocean.

9 p.m. on HIST Alone

A fierce snowstorm blasts through the already-rugged Labrador terrain, wreaking more havoc on the exhausted and dispirited survivalists still remaining in a new episode called "Winter's Grasp." That assault is especially bad news for one participant who already is strugling with some troubling health issues. Meanwhile, another resilient candidate tries to find a way to heat their shelter.

10 p.m. on FREE Good Trouble

The FCG try to hire Zelda (guest star Teala Dunn) as a brand influencer, while Malika and Tracy (Zuri Adele, guest star Marisela Zumbado) work together on the Women's Shelter. Elsewhere, Joaquin (Bryan Craig) fears that Jenna (Maiara Walsh) may have joined a cult, while Alice (Sherry Cola) feels like she is falling behind in her career. Meanwhile, Gael (Tommy Martinez) struggles for a way to forgive Isabella (Priscilla Quintana).

10 p.m. on BBCA Top Gear

In the wake of the pandemic, Britain has been struggling to find enough truck drivers, so co-hosts Freddie Flintoff, Chris Harris and Paddy McGuinness decide to do the public-spirited thing and become licensed to drive these vehicles themselves in the new episode "HGV Heroes." Of course, as soon as they become licensed, the trio almost immediately sets out to tackle some heavy-duty challenges to prove which of them is the best big-rigger.
