**HOROSCOPES** by Stella Wilder

SATURDAY, JULY 23, 2022  
YOUR BIRTHDAY by Stella Wilder  
Born today, you seem to be right there where the action is, whether it is spontaneous fun at home or a serious endeavor at the work- place. You know how to parlay a little involve- ment into even more to the extent that you are almost always offered a managerial position of some sort if you stick with something long enough. But that's not always your bag since you don't always want to be in charge.

SUNDAY, JULY 24  
LEO (July 23-Aug. 22) -- Your admiration for someone's accomplishments is likely to inspire you today, but take care it doesn't lead you down the wrong path.

VIRGO (Aug. 23-Sept. 22) -- A problem that arises early in the day can be dispensed with very quickly, but another issue you dis- cover later may prove far more stubborn.

LIBRA (Sept. 23-Oct. 22) -- You may have a hard time breaking a certain habit today, but it is altogether fitting that you do so, as an example to someone.

SCORPIO (Oct. 23-Nov. 21) -- You can deal with a troubling issue today, perhaps with a single keystroke. All signs should tell you this is behind you at last.

SAGITTARIUS (Nov. 22-Dec. 21) -- You need no distractions today as you deal with something that challenges your most-honed skills. Clear your docket.

CAPRICORN (Dec. 22-Jan. 19) -- Productivity depends upon your ability to steer clear of those things that sap you of your strength and resolve. Follow another's lead.

AQUARIUS (Jan. 20-Feb. 18) -- You may have to travel farther than expected to get to where you must be to start something you believe can pay off for you handsomely.

PISCES (Feb. 19-March 20) -- You'll have to act fast today in order to respond in the proper way to someone's unexpected offer. A personal rearrangement may be in order.

ARIES (March 21-April 19) -- You may find yourself in the midst of something you don't fully understand, and yet your instincts tell you to explore this situation further.

TAURUS (April 20-May 20) -- You sur- prise a rival by dealing with an unexpected challenge with hardly a step out of place, when style and substance combine in a new way.

GEMINI (May 21-June 20) -- Take care that you don't get involved in something that could possibly harm your reputation today. Focus on the business at hand at all times.

CANCER (June 21-July 22) -- You may be fretting over nothing today when a serious danger is fast approaching, to which you should be giving your full attention.
