## tonight s best

**Bradley Whitford** 

## 7 p.m. on NBC Who Do You Think You Are?

In this new episode, actor and political activist Bradley Whitford ("The West Wing," "The Handmaid's Tale") learns about his grandmother's heritage, discovering why his ancestors immigrated to the United States in 1846. His journey then takes him to Washington, D.C., where he learns that his great-great-grandfather, along with his siblings, fought in the Civil War. From there he partners with a historian to learn if his ancestors survived the brutal conflict.

With summer here, there is lots of traveling.

Be safe & have fun!
