Keke Palmer

10:01 p.m. on NBC Password

Keke Palmer ("Star") hosts this reboot of the vintage game show in which everyday contestants are partnered with celebrities and try to guess a secret "password" using only one-word clues. Jimmy Fallon is an executive producer of this series and will appear in each of the eight one-hour episodes. Tonight's premiere is dedicated to the late Betty White, who frequently appeared on the original "Password," which was hosted by her husband, Allen Ludden.
