SATURDAY, AUGUST 6, 2022

**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are a powerful individual with the ability to affect others merely by your presence, and no one knows how to walk into a room quite the way you do. Indeed, you make such a strong first impression that there are those who insist they know you well even though they've never encountered you a second time, and your ability to capture the attention of others is unmatched among those born under your sign.  
SUNDAY, AUGUST 7  
**LEO (July 23-Aug. 22)** -- While others rearrange their schedules to accommodate yours, you must be sure that what you are doing is as efficient and progressive as possible.  
**VIRGO (Aug. 23-Sept. 22)** -- The first few steps may be the hardest to take today -- but once you get moving, you'll be able to steer clear of anything that can slow you down.

**LIBRA (Sept. 23-Oct. 22)** -- It's important to get the rest you need, but where will you find the time? You must be willing to say "no" today to one or two propositions.  
**SCORPIO (Oct. 23-Nov. 21)** -- Financial issues are at the fore, and you ignore them at your peril today. You must be willing to take a few difficult steps at this time.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You must be willing to maneuver freely today when the unexpected comes your way. Someone you know will clarify some ground rules for you.  
**CAPRICORN (Dec. 22-Jan. 19)** -- Your unique position allows you to be involved only up to a point, after which you'll be able to remove yourself from a tricky situation.  
**AQUARIUS (Jan. 20-Feb. 18)** -- Now is no time for games -- though you can certainly enjoy the games you have before you. Your choice of a temporary partner causes a stir.  
**PISCES (Feb. 19-March 20)** -- You receive numerous messages today that seem promising, but only one or two later in the day give you the information you really need.  
**ARIES (March 21-April 19)** -- You receive an unusual reaction from one who is usually perfectly aligned with your motives and methods. A subtle change may be required.  
**TAURUS (April 20-May 20)** -- The pace may be slower than usual today, but that doesn't mean you can ease up in any sense. Indeed, you may have to work harder than usual.  
**GEMINI (May 21-June 20)** -- While others may not understand what you are truly after, today you can narrow your focus and prepare yourself for one final push.  
**CANCER (June 21-July 22)** -- You'll enjoy the chance to catch up with a friend who has been out of the picture for a while -- but don't let yourself be taken advantage of.
