FRIDAY, AUGUST 12, 2022  
**YOUR BIRTHDAY** by Stella Wilder

Born today, you are perhaps the greatest visionary born under your sign, and you will always work long and hard to ensure that what you imagine is transformed, after much planning and hard work, into reality. You know that this cannot always pan out the way you hope, but you believe that much of the reward lies in the effort itself -- just as a journey is far more fruitful than the destination to which it leads.

**SATURDAY, AUGUST 13**  
**LEO (July 23-Aug. 22)** -- Keep your head on a swivel and look around today -- you'll be sure to find inspiration in all manner of things, including the most unlikely.

**VIRGO (Aug. 23-Sept. 22)** -- You've been relying on something that can't last, and today is a good day to rethink your overall strategy. Whose methods are best?

**LIBRA (Sept. 23-Oct. 22)** -- You may find yourself standing guard over something that is valuable to many people. Why you? That will be answered late in the day.

**SCORPIO (Oct. 23-Nov. 21)** -- You're aware of certain historical precedents, but they may not have much of an impact over why you're doing what you're doing these days.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Whether the glass is half full or half empty isn't really the issue today; you must figure out how to work with what is available!

**CAPRICORN (Dec. 22-Jan. 19)** -- What happens to someone else may be a revelation on you in some way. You'll want to investigate to determine whether you're truly involved.

**AQUARIUS (Jan. 20-Feb. 18)** -- Showing another what you've done, and doing so with some care, will provide you with a valuable opportunity to assess your work today.

**PISCES (Feb. 19-March 20)** -- You may have to shop around a good deal today to find a real bargain -- or you can fork over the cash and hope you don't run out later.

**ARIES (March 21-April 19)** -- You mustn't be too demanding with one who is in the midst of navigating a rather difficult time. A gentle approach is advised.

**TAURUS (April 20-May 20)** -- You can arrange things today in such a manner that you're able to showcase not only your own good work, but another's as well.

**GEMINI (May 21-June 20)** -- You may think you are focused on the issues that matter, but today's events will almost surely indicate otherwise. Follow a friend's lead.

**CANCER (June 21-July 22)** -- You may not be as enthusiastic as usual when beginning a certain job today, but as you progress, you'll learn to find enjoyment in it.
