HOROSCOPES by Stella Wilder

SUNDAY, AUGUST 14, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you are able to make creative use of all kinds of news and information, be it good, bad or somewhere in between. You are a highly creative individual, and you know how to do many things in new and unusual ways -- while still keeping the traditional heart of the activity very much intact. You are driven to be the best that you can be, and this very often means being better than anyone else. MONDAY, AUGUST 15 LEO (July 23-Aug. 22) -- In order to perform up to par today, you're going to have to streamline your efforts -- and that means dispensing with anything that weighs you down. VIRGO (Aug. 23-Sept. 22) -- You want to make changes that you feel are appropriate, but today you may have to do what someone tells you in this regard. LIBRA (Sept. 23-Oct. 22) -- You may have taken on a little too much responsibility recently, and today is a good day to make adjustments that ease the burden slightly. SCORPIO (Oct. 23-Nov. 21) -- Your supporters are all in at this time, so you'll want to turn your attention to those who are not yet convinced your way is the right way. SAGITTARIUS (Nov. 22-Dec. 21) -- Where you position yourself as the day begins will have a tremendous impact -- but take care you don't get too aggressive with others. CAPRICORN (Dec. 22-Jan. 19) -- A threat you had thought was gone for good may resurface today. This makes an otherwise manageable situation far trickier. AQUARIUS (Jan. 20-Feb. 18) -- You can make a plan that promotes your agenda while supporting someone else's activities as well. You need more of this kind of thing. PISCES (Feb. 19-March 20) -- Promises you make today must be kept, and anything

MONDAY, AUGUST 15, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you combine an artist's creativity with the drive and stubbornness of an entrepreneur, and together, these traits should be not only your personality, but also the kind of professional life you will enjoy. You are certainly destined for success, and though it may take you an unusually long time to determine just where to direct your talents, once you do, you will work tirelessly to reach your goals. TUESDAY, AUGUST 16 LEO (July 23-Aug. 22) -- You'll want to combine available facts with your own imaginations today in order to come up with a plan that you and others can all get behind. VIRGO (Aug. 23-Sept. 22) -- You are facing some things that have the potential of changing your life in subtle but significant ways. Your attitude proves a driving force. LIBRA (Sept. 23-Oct. 22) -- You can steer others down the correct path this week, but once you get past a certain crossroads, you want to part company and go your own way. SCORPIO (Oct. 23-Nov. 21) -- You may become frustrated by the way others characterize certain developments today. You know that things aren't quite that good -- or bad! SAGITTARIUS (Nov. 22-Dec. 21) -- You must be willing to accept the facts today -- and the evidence that is uncovered that proves you've been in error for a while. CAPRICORN (Dec. 22-Jan. 19) -- You're not about to let someone else take control today, but forcing your agenda isn't the way to make headway. You can be subtle. AQUARIUS (Jan. 20-Feb. 18) -- Certain circumstances can be changed today, but not all at once. You'll want to start at the most logical place of departure. PISCES (Feb. 19-March 20) -- Your talents will be on display today whether or not you intend it. Someone working behind the scenes is promoting your efforts. ARIES (March 21-April 19) -- Your own motives will almost certainly clash with someone else's today, even though what you are after and can achieve are nearly identical. TAURUS (April 20-May 20) -- You can do more than one thing very well today, but doing a third may be adding too much to your schedule -- although you'll be tempted to try. GEMINI (May 21-June 6) -- Your potential is on the rise today, and many of your habitual supporters know it full well -- even though you may require some persuading. CANCER (June 21-July 22) -- You may have to leave something behind today in order to pursue something else of equal or slightly greater value. Is it really worth it?
