Imagine you spend all your free time working to create the perfect destructive robot. It slices. It dices. It spins and hammers. Now imagine that you realize perfect doesn't exist. Your shiny Battlebot is about to get its paint scratched. In the new episode "Champions: The Slugfest Part 3," eight hopefuls slug it out to the death for the right to take on Team Revolution's Rotator. Inmate to Roommate

This new groundbreaking documentary series follows recently released inmates as they re-enter society and move in with everyday people who are welcoming them into their homes. This practice has been the subject of re-entry programs aimed at stopping recidivism. The opportunities and challenges are complex as they each face scrutiny from friends and family questioning their motives. Will this new situation allow the formerly incarcerated to successfully re-enter society or will it be the worst decision both parties have ever made?
