YOUR BIRTHDAY by Stella Wilder

Born today, you are one of those Leo natives that combines aggressive ambition with charm and sensitivity, and you are likely to enjoy a rare and perhaps fleeting kind of success in either your personal life or your professional affairs as a result. This doesn't mean that your hard-won success will be fleeting, but only that it may be if you neglect to temper the above traits in such a way that they can be creatively combined and directed toward your work as a package, and not as individual features battling for dominance in your life.

SATURDAY, AUGUST 20

LEO (July 23-Aug. 22) -- The only person standing in your way today is you, but how you got into this uncomfortable position may only become clear tomorrow.

VIRGO (Aug. 23-Sept. 22) -- You are eager to please those in charge today, but some of what you are asked to do is likely to chafe. How you say "no" makes a difference.

LIBRA (Sept. 23-Oct. 22) -- You aren't all that used to paying attention to those who are on the outskirts of your range of experience, but today they may matter most.

SCORPIO (Oct. 23-Nov. 21) -- You may have to butter up someone today before you receive permission to do what you know is unorthodox or unpopular -- or both.

SAGITTARIUS (Nov. 22-Dec. 21) -- The way things were done in the past has value to you today, but you must realize those methods need to be updated some.

CAPRICORN (Dec. 22-Jan. 19) -- Surface issues will take care of themselves today; it's those in the depths that you'll want to identify and study closely.

AQUARIUS (Jan. 20-Feb. 18) -- Excitement today is derived from the kind of collaboration that only you can bring about between those who have been on the outs.

PISCES (Feb. 19-March 20) -- You're eager to see someone succeed today, just as you are eager to see someone fail. You're better off focusing on the positive.

ARIES (March 21-April 19) -- You're ready to give someone's efforts a boost, but take care you're not simply doing a favor for a friend. This is an investment.

TAURUS (April 20-May 20) -- You may have let your destination become unclear of late, but if you follow a certain friend or family member, you'll get back on track.

GEMINI (May 21-June 20) -- Someone you know only a little may come upon something you've been searching for -- but putting a claim on it may prove difficult.

CANCER (June 21-July 22) -- A secondary activity takes over the No. 1 spot from another that doesn't resonate the same way right now. Others offer support.
