#### 8 p.m. on CW Roswell, New Mexico

Just when you think this town can't get any more stressful. In the new episode "Two Sparrows in a Hurricane," Liz (Jeanine Mason) is pulled in multiple directions as she faces an impossible decision regarding her friends. Meanwhile Max (Nathan Dean) agrees to join sister Isobel (Lily Cowles) on a mission to save Bonnie (guest star Zoe Cipres), who's come into town to rob a few banks.

## 9 p.m. on FREE Keep This Between Us

This four-part docuseries from film-makers Amy Berg, Jenna Rosher and Kristi Jacobson delves into a deeply troubling topic — the wide-spread grooming of underage girls in the high schools of the United States — by following one woman's journey as she looks back at her past relationship with a trusted teacher and tries to see it through an unfiltered lens. What she now perceives is highly unsettling.

### 10 p.m. on NGEO America the Beautiful

This jaw-dropping visual story of North America examines the only place on earth where you can find every landscape — from Arctic ice caps to scorching deserts. This new docuseries from the award-winning producers of "Planet Earth" and "Frozen Planet" explores the most extraordinary regions, from the mountainous Northwest to the steamy South, the arid West and the endless Heartland to witness the animals who call this region home, all in stunning cinematography. Michael B. Jordan narrates.
