8 p.m. on CW DC's Stargirl

The Season 3 premiere episode "Frenemies — Chapter One: The Murder" makes it look like Starman (Joel McHale) might be here for the right reasons after all. While Courtney (Brec Bassinger) hopes there will finally be peace in the valley, The Gambler (guest star Eric Goins) arrives in town looking to make his own amends. But can the team trust him? Meanwhile, Tigress (Joy Osmanski) and Sportsmaster (Neil Hopkins) have been upgraded to series regular status. Luke Wilson, Amy Smart, Anjelika Washington, Trae Romano and Yvette Monreal also star.

8 p.m. on HIST Forged in Fire

Two friends and two brothers enter the forge as teams to compete in an epic showdown of camaraderie. But after working as teams to recreate a Scottish Broadsword — the infamous weapon of the Highland clansmen — the victorious team will be divided and forced to face each other. After an intense final battle, only one will walk away with \$10,000 and the title of Forged in Fire champion. Former U.S. Army Green Beret Grady Powell hosts the new episode "Friend or Foe."

9 p.m. on FOOD Guy's Ultimate Game Night

This may become the ultimate food fight as the series premiere episode "Laugh, Rock and Rolls" brings Guy Fieri's celebrity friends to the Flavortown Lounge for entertaining food-inspired games. This new game show puts a culinary twist on classic party games as the celebrity contestants compete in front of a live studio audience for the chance to win prizes for their favorite charity. Chef Antonia Lofaso assists with all the action of the competition.

10 p.m. on FREE grown-ish

There's no time for studying. Doug (Diggy Simmons) throws a party at Bar None and invites the whole crew. Then Junior (Marcus Scribner) considers opening up to Annika (Justine Skye) about his feelings. Kiela (Daniella Perkins) finds herself on RA duty while Zaara (Tara Raani) heads out to play the field. And Aaron (Trevor Jackson) tries to be a good wingman, putting his long-distance relationship to the test in the new episode "Love on the Brain."
