

tonight s best

Tom Oar

5 p.m. on TCM
Movie: **The African Queen**

The top actor and actress on the American Film Institute's greatest stars list — Humphrey Bogart and Katharine Hepburn — made only one film together, and it's a gem. They are pure magic as crude, boozing steamboat captain Charlie and prim missionary Rose. He offers to ferry her to civilization after her brother is killed at their remote African outpost at the start of World War I. Bogart won an Oscar for this 1951 adventure drama, and Hepburn was nominated. The film is among those highlighting the works of Bogart as the channel's featured "Star of the Month."

8 p.m. on CW
Bump

Reema (Safia Arain) and Oly (Nathalie Morris) try to figure out how their friendship works now that they seem to have nothing in common. Meanwhile, an impromptu girls' night results in unexpected alliances and realizations, and the boredom of Angie (Claudia Karvan) and Matias' (Ricardo Scheihing-Vasquez) night at a P&C meeting sets off their growing tension. Then Angel (Catalina Palma Godoy) makes a move on Santi (Carlos Sanson Jr.), leaving Oly with questions about their relationship in the new episode "oleema."

8 p.m. on HIST
Mountain Men

In the Season 11 Premiere "Forever Free," Montana's Tom and Nancy Oar prepare for the necessities of the long, grueling winter ahead. Jake Herak fights dense fog and mountain terrain on foot in pursuit of big game. In Wyoming, Josh Kirk attempts to move a 150-year-old log cabin to the heart of his bison ranch, but the treacherous journey threatens to topple the historic structure and ruin his plans. Meanwhile, in Alaska, Martha and Elli Tansy each nab a caribou, sending them on an all-night off-road mission to harvest their kills.
