#### 8 p.m. on FXX 2022 Creative Arts Emmy Awards

The 2022 Creative Arts Emmy Awards, which honor outstanding artistic and technical achievement in a variety of television program genres (guest performances in weekly series, exceptional work in animation, reality and documentary categories, etc.) highlight the awards that don't make Monday's main Emmy Awards. This edited presentation will feature awards for Outstanding Television Movie, Outstanding Variety Special (Live), Outstanding Variety Special (Pre-recorded), **Outstanding Animated Program** and Outstanding Documentary or Nonfiction Special and many others.

#### 8 p.m. on LIFE Movie: House of Chains

Following their own set of strict religious beliefs, parents Laura (Mena Suvari) and Tye (Greyston Holt) keep their children sequestered from the outside world. But as the children grow older, Laura and Tye's authoritarian ways grow stronger leading them down a path of child abuse, neglect and imprisonment. In order to save their younger siblings and free themselves from their parents, the older children band together and risk a harrowing escape to alert authorities and save their family in this 2022 thriller. Natalie Jane and Maddy Kane also star.

### 8 p.m. on HBO Movie: Moonfall

A mysterious force knocks the moon from its orbit and sends it on a collision course with Earth. With just weeks before impact, NASA executive and former astronaut Jo Fowler (Halle Berry) is convinced she has the key to saving us all — but only one astronaut from her past, Brian Harper (Patrick Wilson) and a conspiracy theorist K.C. Houseman (John Bradley) believe her. The trio mount a last-ditch mission into space only to discover that they might have prepared for the wrong mission in this 2022 sci-fi adventure.
