HOROSCOPES by Stella Wilder

TUESDAY, SEPTEMBER 20, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you give others the impression that nothing is difficult for you and that you are able to navigate even the trickiest of moments in a calm and unflappable manner. Indeed, though your feathers are rarely ruffled, the truth of the matter is that you work hard to impress others with your calm exterior, while inside you are churning away, applying all manner of effort to all manner of endeavors to ensure your eventual success.
WEDNESDAY, SEPTEMBER 21
VIRGO (Aug. 23-Sept. 22) -- Are you able to acknowledge the flexibility of your own ideas? Certainly not everything is set in stone -- especially today.
LIBRA (Sept. 23-Oct. 22) -- You'll want to step aside today when someone comes barging in without warning. Take time to assess the situation before trying to fix it.

SCORPIO (Oct. 23-Nov. 21) -- It's more important for you to listen patiently to someone's complaints today than to try to fix the problems. Stay in the background.
SAGITTARIUS (Nov. 22-Dec. 21) -- Progress is defined in different ways by different people, but many more than expected are likely to agree with your assessment today.
CAPRICORN (Dec. 22-Jan. 19) -- Focus on your surroundings today and try to determine how you can make them more soothing and harmonious. An old idea resurfaces.
AQUARIUS (Jan. 20-Feb. 18) -- You'll be able to rediscover why you're doing what you're doing once you get back to basics. Things have gotten too complicated lately.
PISCES (Feb. 19-March 20) -- Inner strength comes to the fore today just in time, giving you the stamina you need to apply constant pressure where it is most needed.
ARIES (March 21-April 19) -- It's difficult

to know what you are being asked to do when no one's instructions are like another's. Interpretation is the key to success.
TAURUS (April 20-May 20) -- You may be tempted by the easy way today, but the greatest reward goes to the person who is able to address key difficulties.
GEMINI (May 21-June 20) -- You may be tempted to say farewell to an endeavor that lately hasn't profited you the way it used to. Your calculations must be accurate.
CANCER (June 21-July 22) -- Your progress may be measured in unusually small increments today, but that's no cause for frustration. You're still moving forward, yes?
LEO (July 23-Aug. 22) -- You'll want things to stay the same today so you can get used to certain things that were new not long ago. It's taking quite some time.
