**HOROSCOPES** by Stella Wilder

THURSDAY, OCTOBER 13, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are likely to push people's buttons and challenge their assumptions and beliefs as a matter of course throughout your lifetime, for you are certainly a strong believer in the adage that "the unexamined life is not worth living." You examine yours, surely, over and over again, but more importantly, you inspire others to do the same -- or, more accurately, you demand they do so. You are perfectly willing to grapple with the toughest issues in life.  
**FRIDAY, OCTOBER 14**  
**LIBRA (Sept. 23-Oct. 22)** -- Though you will surely strive to do your best today, one obstacle may prove particularly stubborn and slow you down temporarily.  
**SCORPIO (Oct. 23-Nov. 21)** -- Take care that you're not getting in your own way today. You have much to do that depends upon clarity of thought. Don't distract yourself!

**SAGITTARIUS (Nov. 22-Dec. 7)** -- While looking for the cause of a recent mishap, you may be tempted to blame yourself -- but you're not responsible in any way.  
**CAPRICORN (Dec. 22-Jan. 19)** -- Something unintentional proves quite important today -- but whether it is a negative or a positive has yet to be determined.  
**AQUARIUS (Jan. 20-Feb. 18)** -- You have a great deal of youthful energy as a rule, and today it may well get the better of you. Take care you don't run afoul of the boss.  
**PISCES (Feb. 19-March 20)** -- Your positive attitude and willingness to follow where another's ideas lead you will serve you and others very well throughout the day.  
**ARIES (March 21-April 19)** -- If a smile isn't enough to defuse a potentially volatile situation, you may trust your sense of humor to do the trick. Go on; get a laugh!  
**TAURUS (April 20-May 20)** -- You mustn't be so quick to call for help today that you

prevent yourself in some way from figuring out how to do what has so far eluded you.  
**GEMINI (May 21-June 20)** -- You are more than willing to accept certain realities that you simply cannot change -- but those you can are likely to take up some time today.  
**CANCER (June 21-July 22)** -- Your admiration for someone sends you down an unfamiliar path today -- but if things turn on you, you'll be able to reverse course.  
**LEO (July 23-Aug. 22)** -- Your efforts may not achieve as much as you had hoped today, but that which does get done will surely attract admiration -- and imitation, too.  
**VIRGO (July 23-Aug. 22)** -- Now is not the time to insist on doing everything on your own. Help is available, but what really matters most is how you manage it.
