HOROSCOPES by Stella Wilder

THURSDAY, NOVEMBER 3, 2022

YOUR BIRTHDAY by Stella Wilder
 Born today, you are likely to find that you are not one of those to be first across the finish line very often, and possibly not even second -- but you will certainly cross it, in your own time, and claim what is yours by rights. You are not, metaphorically speaking, a sprinter; you leave it to others to reach their destinations and get what they want quickly, choosing instead to take your time and commit to the long-distance run.
FRIDAY, NOVEMBER 4
SCORPIO (Oct. 23-Nov. 21) -- Something secret is likely to be revealed before the day is out, but you'll be able to turn this frightening surprise into a major gain.
SAGITTARIUS (Nov. 22-Dec. 21) -- A certain issue is crying out for attention and discussion, but you're not certain how to raise the subject. Follow another's lead.

CAPRICORN (Dec. 22-Jan. 19) -- The weather may not seem to cooperate today, but you are clever enough to overcome any such obstacle. You have many options.
AQUARIUS (Jan. 20-Feb. 18) -- You derive a great deal of inspiration from those who are younger and less experienced than you are. Their enthusiasm is catching.
PISCES (Feb. 19-March 20) -- You may have to stop short of the mark today in order to assess a situation that springs up quite suddenly. Take the time to work this out.
ARIES (March 21-April 19) -- You may find yourself torn between two equal desires, but only one is favored at this time -- and that's the one that really counts.
TAURUS (April 20-May 20) -- You may not be able to avoid all hazards today, but if you keep your head up and eyes open, your efforts to overcome them should pay off.
GEMINI (May 21-June 20) -- You may mistake your own folly for someone else's today -- but that won't last long since evidence will clearly point to you as the culprit.
CANCER (June 21-July 22) -- What you create for yourself today you'll want to share liberally with others. The more you spread around, the more everyone can benefit.
LEO (July 23-Aug. 22) -- Confident, capable and ready to go, you'll find the day full of opportunities that you can exploit without misusing anyone in the process.
VIRGO (Aug. 23-Sept. 22) -- Now is not the time to risk it all, no matter how sure you are or how favorable the odds may seem. You must employ ample caution today.
LIBRA (Sept. 23-Oct. 22) -- You have every reason to look back and relive a certain high point today, but something in front of you is requiring immediate attention.
