HOROSCOPES by Stella Wilder

FRIDAY, NOVEMBER 4, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are always very much aware of what is going on around you, and you are quick to assess a situation and decide if it is something that would be beneficial for you to explore or something best avoided. Indeed, you will spend much of your life making such decisions -- and making them for others, too, at times, and you must always take such a responsibility very seriously.

SATURDAY, NOVEMBER 5
SCORPIO (Oct. 23-Nov. 21) -- You and a partner may disagree on the fundamental purpose of a cooperative effort -- but it's the process itself that matters most today.

SAGITTARIUS (Nov. 22-Dec. 21) -- It is of little use today to compare yourself to others. Instead, compare the current version of yourself to the you of the past.

CAPRICORN (Dec. 22-Jan. 19) -- You can help another improve the overall potential of a certain situation today simply by remaining positive and sharing ideas openly.

AQUARIUS (Jan. 20-Feb. 18) -- The likelihood that you will experience a setback is inversely proportional to your enthusiasm for a newly evolving situation. Play the game.

PISCES (Feb. 19-March 20) -- You have more going for you today than you know, and it won't take long for you to claim what is rightfully yours once you get things started.

ARIES (March 21-April 19) -- You must insist that those working with you observe all rules and regulations -- which are in place, after all, to ensure your safety.

TAURUS (April 20-May 20) -- A simple error must not be allowed to repeat itself today, and this will take a little more vigilance than usual. You spot a distant threat.

GEMINI (May 21-June 20) -- Though you may not be feeling all that creative today, you can get things done simply by following a familiar regimen. Don't fall behind.

CANCER (June 21-July 22) -- You may be so caught up in the current state of your reputation that you're unable to recognize when someone close to you needs some help.

LEO (July 23-Aug. 22) -- The first or second idea that you come up with today isn't likely to get the job done, so don't be too quick to put either one of them in motion.

VIRGO (Aug. 23-Sept. 22) -- You may have to repeat yourself in order to get a certain message successfully delivered to someone who is proving unusually stubborn.

LIBRA (Sept. 23-Oct. 22) -- What you do today may attract an unusual amount of attention, which can serve you well if you have the right attitude. Accept what comes.
