tonight's best

Willie Mays

8 p.m. on CBS America Decides: Campaign '22

Though the Midterm elections and their consequences have been debated by pundits for months, tonight's coverage features results from both national and local races that could reshape the American political landscape. Live results will be discussed as polls close across the nation.

9 p.m. on HBO Movie: Say Hey, Willie Mays!

This 2022 documentary premiere follows the life of MLB great Willie Mays — both on and off the field — over five decades as he navigated the American sports land-scape and the country's ever-evolving cultural backdrop, all while helping to define what it means to be one of America's first Black sports superstars. He played in a record-tying 24 All-Star games and left an indelible mark in New York City and San Francisco, building a love affair with both cities' fans.
