HOROSCOPES by Stella Wilder

TUESDAY, NOVEMBER 8, 2022
 YOUR BIRTHDAY by Stella Wilder

Born today, you possess a great deal of confidence, and you know how to move forward even when outside forces seem to be working against you. What serves you very well is your belief in the power of positive thinking, and you will certainly score many personal victories and chalk up some serious professional gains in large part because you view the future in a positive light.

WEDNESDAY, NOVEMBER 9

SCORPIO (Oct. 23-Nov. 21) -- You're going to have to explore an unknown landscape in your imagination today before you actually encounter it. This may not be easy.

SAGITTARIUS (Nov. 22-Dec. 21) -- You must be as specific as possible today or others aren't going to know for sure what it is you want -- or why you want it.

CAPRICORN (Dec. 22-Jan. 19) -- You may wish to make a change to the environment you currently call home. Be sure to consider all factors that might affect productivity.

AQUARIUS (Jan. 20-Feb. 18) -- You may find yourself in a tricky situation today, but it's nothing you can't handle if you're willing to admit you brought it on yourself.

PISCES (Feb. 19-March 20) -- What you see before you may not be a reflection of your current desires. You needn't assign it any more meaning than you usually would.

ARIES (March 21-April 19) -- Your ability to recall facts and figures when you most need to will serve you well today -- and give you the advantage over a competitor.

TAURUS (April 20-May 20) -- If you are responsible for a certain development today, accept it and move on. Only by dodging certain issues will you make matters worse.

GEMINI (May 21-June 20) -- Do your best to understand where a rival is coming from, but know that you don't have to see eye to eye to advance your cause.

CANCER (June 21-July 22) -- Your latest attempt to avoid a troubling situation at home or at the workplace is not likely to succeed -- but tomorrow is another day!

LEO (July 23-Aug. 22) -- You are fully aware of the ramifications of certain behaviors today, even if others aren't, and your decisions carry the most weight right now.

VIRGO (Aug. 23-Sept. 22) -- Be careful not to overextend yourself today as you work out what's to be done. Some key issues require no immediate attention.

LIBRA (Sept. 23-Oct. 22) -- It may fall to you today to prove that certain accepted "realities" are, in fact, far from real. This requires a certain mindset, surely.
