HOROSCOPES by Stella Wilder

WEDNESDAY, NOVEMBER 9, 2022
 YOUR BIRTHDAY by Stella Wilder
 Born today, you are neither realistic nor idealistic in your overall outlook on life. You prefer to develop and maintain a philosophical viewpoint that is at once neutral and flexible, so that you can vary and adjust your thinking to suit whatever situation you, or someone else, might be in at any given moment. There are times in which you may be pragmatic to a fault, forsaking a project that promises long-term benefits and gains simply because of initial, short-term hardship or loss.
 THURSDAY, NOVEMBER 10
 SCORPIO (Oct. 23-Nov. 21) -- Do you have the time it will take to accomplish all that you have on the docket? A little quick thinking will enable you to get it all done.
 SAGITTARIUS (Nov. 22-Dec. 21) -- You shouldn't receive any negative comments on a project recently completed -- but what you're working on now may attract some criticism.
 CAPRICORN (Dec. 22-Jan. 19) -- You must follow the rules today, but you can do so in a manner that doesn't cramp your style. You'll have more freedom than expected.
 AQUARIUS (Jan. 20-Feb. 18) -- Problems can be solved one right after the other today, but you must prioritize. Get things in the wrong order and complications may ensue.
 PISCES (Feb. 19-March 20) -- You may not be making things as easy as possible for yourself today. Take a leaf out of someone else's book and enjoy some smooth sailing.
 ARIES (March 21-April 19) -- What you see ahead of you may be somewhat daunting, but you have what it takes to tackle it effectively and with a great deal of style, too.
 TAURUS (April 20-May 20) -- It may be up to you today to reach out to someone who has taken a situation far too personally. Explain yourself simply and honestly.
 GEMINI (May 21-June 20) -- You are the only person who can determine if your motives are pure at this time, and whether or not they are will surely have a major impact.
 CANCER (June 21-July 22) -- You are fully aware of someone's potential, and you realize that if you work together you can accomplish anything. Suggest this today.
 LEO (July 23-Aug. 22) -- Putting one foot in front of the other gets you where you want to go today, but it may prove tricky to make your way back again. Take your time.
 VIRGO (Aug. 23-Sept. 22) -- You mustn't let anything slip by unnoticed today. Not everything is worth further examination, but you mustn't take chances right now.
 LIBRA (Sept. 23-Oct. 22) -- Are you holding a grudge? If it's not that, then something else is keeping you from doing what you know to be right. You must figure it out.
